

GB/6a/18a The Basket of Eggs

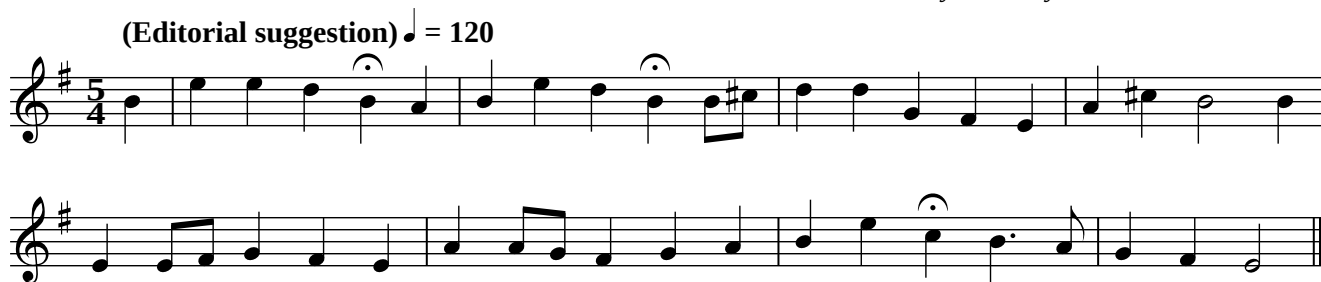

Version 2 of 2

(Alternative transcription)

Sung by Mr. Edwin Spooner, Midhurst Workhouse, Sussex, December 1908

Noted by FW Jekyll and GSK Butterworth

(Editorial suggestion) ♩ = 120

Editorial note:

The crotchets with fermatas are written as minims (or tied crotchets) without fermatas in the original MS.

This editorial change is to make the overall rhythm clearer without distorting the original significantly.
