

RVW2/1/134 A Blacksmith Courted Me

(version 2: doubtful)

Mrs. Powell, near Weobley, Herefordshire, July 1909

(Editorial suggestion) ♩ = 110

Editorial note: In the fifth full bar, the last two notes appear in the original MS as Gs, not as As. This may be the reason for RVW's comment of "doubtful". In the published version of this same song, on p.22 of the Penguin Book of English Folk Songs (1959), RVW wrote these notes as A as shown above. For better or for worse, the editors here have retained the A for consistency with the published version.
