Mr. Hancock, Weobley, Herefordshire, August 1909

(Editorial suggestion) ♩ = 90

♩ = 120 quicker ♩ = 90 slow again

(a) var. (b) var. al fine

♩ = 120 quicker ♩ = 90 slow again

Editorial notes: RVW notes that there is a phono recording of this and the previous item (no. 172). Presumably the juxtaposition of these two pieces and the associated recordings were to illustrate and contrast the itinerant and resident traditions.
