Says the Mother to the Daugther "What makes you to lament
Is ther nary one in our yown can give your heart content?"
"Yes! There’s many a one in Galloway, but there’s nary one for me
For I never had but one true love & he was killed at sea

I’ll buy me love a fine ship & a fine ship will I
Where there’s 4 & 20 jolly seamen to bear her company
There was 3 score a–drowndèd & 2 score a slain
And one of them was my true love a–killed on the main.
